Discussion of Texas Council Intranet Site
Highlights

CMS negotiations on the DSRIP Menu and Funding Protocol are still underway.

CMS wants to see significant transformation.

All DSRIP projects must report in in Category 3. HHSC and CMS are still negotiating how Category 3 will work.

HHSC would like to have the DSRIP Menu and Funding Protocol approved by August 31, 2012.

RHP Plans are due to HHSC between September 1 and October 31.

RHP Plans are due to CMS on October 31.
DSHS Issues

A small percentage of DSHS General Revenue is not tied to Maintenance of Effort for the Block Grant. DSHS has identified this by strategy.

DSHS, HHSC and the Texas Council are working on a question for CMS related to the General Revenue that is used as MOE.

DSHS, HHSC and Texas Council met on August 9 to discuss issues of CARE Report III related to Community Benefit strategies with private partners.
